Our aim is to support you to live at home by providing activities that focus on maintaining life skills, enablement and re-enablement. We plan activities and events to support you to continue hobbies and interests, promoting social interaction and maintaining relationships. We also provide opportunities for short holiday / respite stays and evenings out.

Services include dedicated, fully escorted transport door to door with lift access for wheelchairs, personal care by fully trained care staff, bathing, chiropody, hairdressing, beauty therapy and lunch, refreshments and snacks.

We provide support seven days a week and cater for both older clients and those living with dementia. We accept both local authority and personal / private care payments. **Did you know you can spend your personal budget on day care services?**

Clients also qualify for a free 'Friends of the Home' membership and enjoy free access to our bar, cafe, cinema, hairdressers and beauty spa, and invite them to attend special activities and events.
